

PATIENT PORTAL

www.portal.ballardpediatrics.com

What is a patient portal?

A patient portal is a way for you to securely access pieces of your child's medical record information. Access is available for all children up to 18 years of age.

What can I do on the portal?

- View and print your child's immunization record
- View your child's growth charts
- See upcoming appointment information
- View your billing statements
- Access questionnaires and handouts to complete before your child's check-up

How do I access the portal?

- Fill out the attached form below to gain access.
- Within 48 hours you can visit www.portal.ballardpediatrics.com. You can also access the portal from our website, Facebook page, and blog.
- Click on the "create account" button at the bottom of the page and follow instructions.
- Once you log in, click on your child's name to access all of the information outlined above.

What if I'm having trouble accessing the portal or have questions?

Call us or ask at your child's appointment. We are happy to help! All of our staff are trained to help you navigate the portal.
